

Matrix Updates

Search Updates

- Added **Locale** search field to Cross Property → Create Your Own search
 - Now, when creating your own Cross Property search, you can add the **Locale** field.

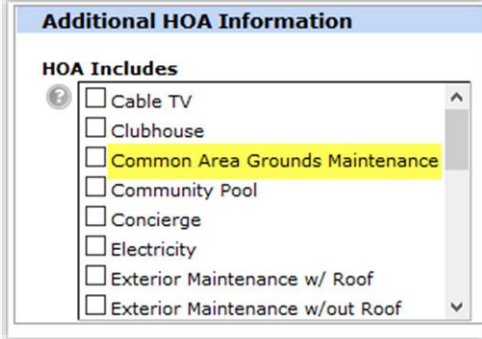

- Changed field label from **Neighborhood** to **Locale** on Property History and Open House searches.
 - When searching Property History or Open Houses, the field **Neighborhood** has been updated to **Locale** to be consistent with other search experiences.

Input Updates

When inputting a listing for Attached/Detached Residential, Income, or Commercial property types, the Community tab has a field **HOA Includes**.

- "Grounds Maintenance" was changed to "Common Area Grounds Maintenance" to be more specific about what is covered.
- This change is also reflected in search criteria options and will automatically be updated on all listings that have this option selected.

The screenshot shows a form titled "Additional HOA Information". Under the heading "HOA Includes", there is a list of checkboxes for various amenities. The checkbox for "Common Area Grounds Maintenance" is highlighted in yellow. The other items in the list are Cable TV, Clubhouse, Community Pool, Concierge, Electricity, Exterior Maintenance w/ Roof, and Exterior Maintenance w/out Roof.
