CTM Integration now has Single Sign On functionality

Now, when logging into CONNECT, if you have a CTM account you will be signed into CTM from the Matrix integration. This means that clicking the CTM icon in Matrix will take you directly into CTM, without making you sign in using your CTM credentials.

Considerations:

- You must have linked their CTM account to CONNECT for this functionality to be available (you should be prompted to do this the first time you access CTM from CONNECT).
- Your CONNECT session must still be active. If your CONNECT session has timed out, clicking the CTM icon will cause the CONNECT login screen to display. After logging in to CONNECT, you can return to Matrix and click the CTM button again to be taken directly to CTM.

Edit, Manage Photos/Logos and Manage Supplements buttons have been added to My Listings (available 6/1/17)

Previously, not all **My Listings** options offered the Edit, Manage Photos/Logos and Manage Supplements buttons. Now, these actions are available to all **My Listings** options for listings that are in an editable status.
